Special Occasion Facts & Information

Thank you for your interest in our banquet program. We will be happy to accommodate events off site at your home, place of business, at the park, or "To-Go". Children may order from our restaurant kids menu. To ensure that your event comes off without a hitch, we have created the following informational guide.

"Are there any additional set up or clean up fees?"

No, these fees are included in the price of the banquet, as are linen table cloths and napkins.

"Why can't we just order off of the menu?" *Good food takes time, and unlimited menu choices take even longer; both to order, and prepare. Special occasion menus are designed to ensure that a fresh hot meal is delivered in a timely manner to each member of your group. If there are more than 20 people in your group, the banquet menu is for you! For buffets 25 person minimum.*

"How large is your facility?" *Our banquet room will hold up to 56 people for a buffet meal, and up to 64 for a plated meal. We also have a mezzanine that can seat up to 28 people. Our patio is available when weather permits. It seats up to 50 and can accommodate up to 100 standing for an informal event.*

"Can we decorate?" *Decorations may be affixed with tape only to any wall without a mural. Please, no confetti, streamers, rice or bird seed. Balloons may be tied to chairs or weighted down.*

"Can you hold that day and time?" *Unfortunately, due to the large numbers of requests for certain meal periods, reservations are final only upon receipt of a deposit equalling \$100.00.*
